Announcement
1216-RS3042-AC

THE POSITION

The San Joaquin County Behavioral Health Services - Mental Health Services Agency is recruiting to fill one Licensed Clinical Social Worker position. The Clinical Social Worker II will be working in an integrated behavioral health/primary care setting at San Joaquin General Hospital. The duties include behavioral health assessment, resource referral, care management and brief problem-focused treatment related to psychosocial and physical health problems. The social worker will be working with a multidisciplinary treatment team consisting of both psychiatric and physical health care professionals.

THE DEPARTMENT

Behavioral Health Services provides an array of mental health and substance use disorder treatment services, primarily for Medi-Cal beneficiaries in the County. The department operates on the following primary core values:

- **Service** - We are dedicated to serving our community through the promotion of behavioral health and wellness.
- **Recovery** - We share a belief that all individuals can find a path towards health and well being.
- **Respect** - We value diverse experience, beliefs, and backgrounds and strive in our interactions to keep everyone's dignity intact.
- **Integrity** - Our values guide us as individuals and as an organization to be responsive and trustworthy.

MINIMUM QUALIFICATIONS

Education: Master's Degree from an accredited school of social work.

Experience: One year of post MSW social casework experience.

License: Possession of a valid California license as a Clinical Social Worker and a valid California driver's license.

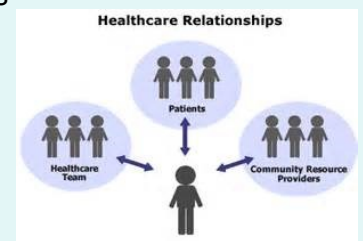

CLINICAL SOCIAL WORKER II

TYPICAL DUTIES

The Clinical Social Worker II is a journey level class and functions as an advanced practitioner in handling the most responsible and difficult casework in improving or restoring of individual physical, mental or emotional functioning. Duties include but may not be limited to:

- ◆ Interviews patients and relatives to collect and compile extensive social case histories for use by medical staff in diagnosis and determination of treatment and for use by social service personnel.
- ◆ Participates in diagnostic and technical staff conferences with other disciplines for treatment planning; interprets recommendations to patients and families.
- ◆ Implements intensive social work treatment with individuals, families and/or groups; may participate in collaborative treatment with professional members of other disciplines or other agencies.
- ◆ Makes pre-release evaluations; evaluates suitability of environment to which the patient will be released; assists patients in adjustment to new situations.
- ◆ Acts as liaison among the patient, hospital, family, and community agencies; interprets patient's needs and problems; assists patients in adjustment to new situations.
- ◆ Participates in training programs, including the teaching of social diagnosis and treatment methods, conducted for public and private community and social agencies.
- ◆ May provide consultation to other disciplines regarding case histories, patient's progress, plans for patient rehabilitation and related casework activities.
- ◆ Maintains records; prepares reports; writes correspondence.
- ◆ Participates in in-service training programs; may attend seminars or participate in coursework in order to develop and/or maintain professional skills.

COMPENSATION and BENEFITS

Monthly Salary: \$5,749 - \$6,990

In addition to the base salary, the County offers an excellent benefit plan which includes a county contribution to health, dental and vision insurance plans. Other benefits offered by the County include:

- ◆ A Deferred Compensation Plan
- ◆ 1937 Retirement Act plan with reciprocity with CALPERS
- ◆ 125 Flex Benefits Plan
- ◆ 12 days sick leave annually with unlimited accumulation
- ◆ 10 days of vacation leave (15 days after 3 years, 20 days after 10 years and 23 days after 20 years)
- ◆ 10 holidays per year
